

Want to make a difference in one of the world's leading software and IT services companies?

**SUNGARD** FINANCIAL SYSTEMS

## Join us today!

Our financial systems division's mission is to continually improve the software that underpins the world's financial systems. The world's leading financial institutions rely on us.

SunGard offers careers that combine the independence of working in a small entrepreneurial environment with the global scale and resources of a Fortune 500 technology company. We take good care of our people. We rely on them to make wise choices. We trust them to do the right thing and to do it well. We give them the credit they deserve when they succeed. Are you ready to get started? Your ultimate success is up to you.

SunGard is an Equal Opportunity employer - with a real commitment to managing diversity and ensuring equality of opportunity for all.

## Présentation

With annual revenue of \$5 billion, SunGard is a global leader in software and processing solutions for financial services, higher education and the public sector. SunGard also helps information-dependent enterprises of all types to ensure the continuity of their business. SunGard serves more than 25,000 customers in more than 50 countries, including the world's 50 largest financial services companies.

## Message adressé aux visiteurs

One of our main strengths at SunGard Tunisia is the men and women who work for us. We have grown from a company with four employees, based solely on the Parisian financial market, to an international Group with more than 18,000 employees.

Sungard Tunisia has expanded over the years and now offers the financial community a wide range of solutions. The company has become a major force on its market.

Sungard Tunisia offers you dynamic and challenging work opportunities in a competitive environment.
